

Mastech Digital Completes Acquisition of InfoTrellis

Launches a combined go-to-market brand called Mastech InfoTrellis; Kicks off the integration exercise between the two entities.

Pittsburgh, PA – July 13, 2017: Mastech Digital, Inc. (NYSE: MHH) today announced that it has completed the acquisition of Canada-based InfoTrellis, Inc. Mastech Digital had entered into an agreement to acquire InfoTrellis on July 7, 2017.

The completion of the acquisition marks the launch of a combined go-to-market brand, Mastech InfoTrellis, that offers project-based consulting services to customers in the areas of Master Data Management, Data Integration, and Big Data.

Commenting on the transaction closure, Vivek Gupta, President and CEO of Mastech Digital, said, “I am pleased that we were able to fulfill all closing requirements leading to the successful completion of the transaction in a short period of time. Our new brand, Mastech InfoTrellis, represents the best of both companies, with proven strengths in data management and analytics. Customer feedback on the combination thus far has been very positive.”

“Also, I am delighted to welcome to the Mastech Digital management team, Moo Abbas as the Head of Business, Sachin Wadhwa as the Head of Operations, and Ponna Krishnan, as the Head of India Delivery of Mastech InfoTrellis. With such a committed leadership team in place, I am confident about the prospects and opportunities that this combination affords us”, he added.

Following this acquisition, Mastech Digital becomes a significant provider of consulting services around data management and analytics, backed by strong consulting and delivery expertise and a global talent capital of over 1,500. The company seeks to provide increased value to customers of the combined entity by cross-selling and up-selling a wider variety of digital transformation services.
